Subject: Flight to Bristol Bay

Hi JoAnne,  
The flight would be to Bristol Bay. The funds would come from ARU. Our purpose is to provide a view of the watershed for EPA scientists who are working on the Bristol Bay Watershed Assessment.

Date = August 11, 2011  
Depart 8:00am  
Arrive Iliamna approximately 9:00am (depending on aircraft) for refueling.  
Overflight of Pebble Deposit and Nushagak watershed,  
Arrive Dillingham approximately 11:30 am (depending on aircraft) for refueling and lunch  
Overflight of Kvichak watershed and Lake Iliamna  
Arrive Anchorage 5:00pm.

Those are my best estimates. I would work with Aircraft Services and the pilot to pin down the exact flight times.

Phil
